

## Protecting a resource, a tradition, and a way of life.

THE CAPE COD COMMERCIAL HOOK FISHERMEN'S ASSOCIATION is a nationally recognized, non-profit organization that aligns protection of the oceans with the economic interests of our historic fishing community. CCCHFA supports stewardship of coastal ecosystems through education, research, and policy programs. Started in 1991 by the local fishing fleet, CCCHFA is now the leading community fisheries organization in the region. CCCHFA is taking action now to make sure there are fish and an active fishing industry for future generations.
