Chatham special town meeting scheduled Sept. 29

September 02, 2009

CHATHAM — The selectmen have called a special town meeting for Sept. 29 to consider a petition submitted by the Cape Cod Commercial Hook Fishermen's Association.

The fishermen's association is seeking \$185,000 in Community Preservation Act money to repair the exterior of the 1904 Captain Nathan Harding House on Route 28 in West Chatham. To avoid poor weather in the late fall and winter, fishermen's association officials have said they couldn't wait until late October for an already scheduled special town meeting.

The fishermen group's proposal still must clear the town's Community Preservation Act committee before voters can consider the plan at the Sept. 29 special town meeting. The panel plans to meet tomorrow to act on the fishermen group's request, according to finance director Jennifer Petit.
